## REPORT OF INDEPENDENT AUDITORS

The Board of Directors  
Episcopal Community Services

### **Report on Financial Statements**

We have audited the accompanying financial statements of Episcopal Community Services, which comprise the statements of financial position as of June 30, 2016 and 2015, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence obtained is sufficient and appropriate to provide a basis for our audit opinion.

MOSS ADAMS<sub>LLP</sub>

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Episcopal Community Services as of June 30, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## EPISCOPAL COMMUNITY SERVICES NOTES TO FINANCIAL STATEMENTS

---

### **Note 1 – Nature of Organization**

Episcopal Community Services (“ECS”), a California not-for-profit public benefit corporation which provides services to the community through programs that address specific social needs, is affiliated with the Episcopal Diocese of San Diego.

Programs offered by ECS are:

**Child development programs** – Head Start and Early Head Start are federally-funded comprehensive child development programs serving pregnant women, children from birth to age five, and their families. The programs are designed to help break the cycle of poverty by providing preschool children of low-income families with a comprehensive program to meet their emotional, social, health, nutritional, and psychological needs.

**Other programs** – ECS also offers programs that assist individuals and families through the often difficult transition from an existence which is dependent on social services, unhealthy relationships, or substance abuse to one of self-sufficiency. ECS offers a full spectrum of services to Southern Californians in transition, including emergency assistance and crisis intervention, drug and alcohol education and support services, domestic violence programs, employment assistance, food, counseling services for the chronically mentally ill, and short-term and long-term housing for the special-needs homeless population. ECS provides mental health services to low-income children and their families with behavioral problems as a result of having experienced trauma, divorce, illness, neglect, violence in the home, or drug abuse.

**Income taxes** – As a California not-for-profit public benefit corporation, ECS is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code. ECS may be subject to federal or state income taxes on unrelated business income. For each of the years ended June 30, 2016 and 2015, no provision for such taxes is required. ECS had no unrecognized tax benefits or liabilities as of June 30, 2016 and 2015. ECS files an exempt organization return in the United States federal jurisdiction and with the Franchise Tax Board in the state of California.

### **Note 2 – Summary of Significant Accounting Policies**

**Method of accounting** – The financial statements have been prepared on the accrual basis of accounting.

**Financial statement presentation** – Net assets are classified as unrestricted, temporarily restricted, and permanently restricted based upon the following criteria:

- Unrestricted net assets represent expendable funds available for operations that are not otherwise limited by donor restrictions.
- Temporarily restricted net assets consist of contributed funds subject to specific donor-imposed restrictions which are contingent upon a specific performance of a future event or a specific passage of time before ECS may spend the funds.

### NOTES TO FINANCIAL STATEMENTS

---

#### Note 2 – Summary of Significant Accounting Policies (continued)

- Permanently restricted net assets are subject to irrevocable donor restrictions requiring that the assets be maintained in perpetuity, primarily for generating investment income to fund current operations. ECS has no permanently restricted net assets at June 30, 2016 and 2015.

#### Revenue Recognition:

**Grants and contracts** – Revenue is recognized from grants and contracts to the extent that eligible costs are incurred and as services are provided.

**Service fees** – Revenue from service fees are recognized when services are provided.

**Contributions** – Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Contributions subject to donor-imposed restrictions for use in a future period or for a specific purpose are either reported as temporarily or permanently restricted, depending on the nature of the donor's restriction. When a donor restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Contributions with donor restrictions which are met in the same reporting period are reported as unrestricted revenue.

**Cash and cash equivalents** – ECS considers all highly-liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

**Restricted cash** – In accordance with the terms of a contract with a funding agency, funds received for the Head Start program are required to be maintained in a separate bank account. As of June 30, 2016 and 2015, approximately \$174,000 and \$461,000, respectively, of the Head Start program funds were held in a separate bank account. These funds are included in cash in the accompanying statements of financial position.

**Investments** – Investments are reported at fair value based on quoted prices in active markets. The Controller, as monitored by the Chief Financial Officer, reviews and evaluates the values provided by Dowling & Yahnke, LLC, investment managers, annually and agrees with the valuation methods used. Investment income or loss (including interest and realized gains and losses) is included in unrestricted revenues unless restricted by donor or law.

**Receivables** – Receivables consist of amounts due to ECS for services provided through June 30 that have not yet been collected. Amounts are generally considered past due if not collected within 30 days of billings. Interest is not charged on outstanding balances.

**Unconditional promises to give** – Unconditional promises to give expected to be collected in future years are recorded at fair value when the promise is made based on a discounted cash flow model. In future years, the discounts to present value are computed using discount rates established in the years in which those promises are received. Amortization of the discounts is included in contributions.

## EPISCOPAL COMMUNITY SERVICES NOTES TO FINANCIAL STATEMENTS

---

### **Note 2 – Summary of Significant Accounting Policies (continued)**

Included in unconditional promises to give are beneficial interests ECS has received in irrevocable charitable remainder trusts (“CRTs”). The trust agreements require the trusts to make periodic payments, as defined, to the grantors or other designated beneficiaries of the trust over the beneficiary’s lifetime and, in some cases, after the beneficiary’s death. The trusts terminate upon the death of the grantors or completion of the specified benefit periods after their death. Upon termination of the trusts, ECS will receive its share of the remaining trust assets as designated in the trust agreements. The portion of a trust attributable to the fair value of the future benefits to be received by ECS is recorded in the statement of activities as temporarily restricted contributions in the year the trust is established. The fair value of the beneficial interests in CRTs at June 30, 2016 and 2015 is calculated based on a discounted cash flow model using the fair value of the assets in the trusts as provided by the trustees, interest rates of approximately 2 percent and life expectancies (based on applicable mortality tables) and other terms, as applicable, for payments to beneficiaries beyond the life expectancies ranging from 4 to 25 years. The unobservable inputs used in the calculations are evaluated and adjusted, as necessary, annually by the Controller, as monitored by the Chief Financial Officer.

**Allowance for estimated uncollectible accounts** – The allowance for estimated uncollectible accounts is based on past experience and on an analysis of current receivable and unconditional promises to give balances. ECS does not obtain collateral. Accounts deemed uncollectible are written-off against the allowance in the year deemed uncollectible. Management established an allowance of approximately \$27,000 and \$16,000 on receivables from client service fees as of June 30, 2016 and 2015, respectively.

**Property and equipment** – Property and equipment are recorded at cost for purchased assets and fair value at the date of donation for donated assets. Certain property and equipment acquired with grant funds are capitalized and are considered to be owned by the granting agency. Depreciation is computed using the straight-line method over the estimated useful lives of the assets ranging from 5 to 25 years. It is ECS’ policy to capitalize purchases with a cost greater than \$5,000.

**Impairment of long-lived assets** – ECS evaluates long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. If the estimated future cash flows (undiscounted and without interest charges) from the use of an asset are less than the carrying value, a write-down would be recorded to reduce the related asset to its estimated fair value. To date, no such write-downs have occurred.

**Functional allocation of expenses** – The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

**Use of estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions related to the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results may materially differ from those estimates.

## **EPISCOPAL COMMUNITY SERVICES**

### **NOTES TO FINANCIAL STATEMENTS**

---

#### **Note 2 – Summary of Significant Accounting Policies (continued)**

**Subsequent events** – Subsequent events are events or transactions that occur after the statement of financial position date, but before the financial statements are issued. ECS recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of financial position, including the estimates inherent in the process of preparing the financial statements. ECS' financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of financial position, but arose after the statement of financial position date and before the financial statements are available to be issued. ECS has evaluated subsequent events through October 20, 2016, which is the date the financial statements were available to be issued. See Note 16.

**Reclassifications** - Certain amounts in the June 30, 2015 statement of cash flows have been reclassified to conform to the June 30, 2016 presentation, with no effect the change in cash and cash equivalents.

#### **Note 3 – Concentrations**

**Cash and cash equivalents** – ECS maintains cash and cash equivalents in bank deposit accounts which at times exceed the federally-insured deposit limits. ECS has not experienced any losses in such accounts.

**Investments** – ECS maintains investments in accounts which at times exceed the Securities Investors Protection Corporation ("SIPC") limits. ECS has not experienced any losses in such accounts.

**Unconditional promises to give** – Unconditional promises to give include beneficial interests in CRTs which are exposed to various risks such as interest rates, change in value of underlying assets in the trusts, and donor life expectancies. Changes in the near-term are not expected to materially affect the amounts reported in the financial statements. As of June 30, 2016 and 2015, approximately 96 percent of beneficial interests in CRTs is due from two trusts.

**Grants and contracts** – Included in revenue from grants and contracts during the years ended June 30, 2016 and 2015 is approximately \$18,106,000 and \$17,887,000, respectively, earned from one funding source. These amounts represent approximately 72 and 74 percent of total revenues, gains, and other support for each of the years ended June 30, 2016 and 2015, respectively. Included in receivables from grants and contracts is approximately \$447,000 and \$767,000 due from two and one funding source(s) for the years ended June 30, 2016 and 2015, respectively.

#### Note 6 – Unconditional Promises to Give

As of June 30, unconditional promises to give consist of:

	<u>2016</u>	<u>2015</u>
Due in less than one year:		
Pledge receivable	\$ 38,000	\$ -
Due in more than five years:		
Beneficial interest in CRTs	876,362	836,559
Less discount to fair value	<u>(275,412)</u>	<u>(361,538)</u>
Total beneficial interest in CRTs	<u>600,950</u>	<u>475,021</u>
 Net unconditional promises to give	 <u>\$ 638,950</u>	 <u>\$ 475,021</u>

See Note 2 for the valuation methodologies used for beneficial interests in CRTs that are measured at fair value on a recurring basis and recognized in the accompanying statements of financial position. The beneficial interests in CRTs are classified as Level 3 in the fair value hierarchy (see Note 7.)

#### Note 7 – Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value hierarchy requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. There are three levels of inputs that may be used to measure fair value:

**Level 1** – Quoted prices in active markets for identical assets or liabilities;

**Level 2** – Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; and

**Level 3** – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Investments are exposed to various risks such as interest rates, market, and credit risk. Risk is managed through rigorous evaluation before an investment is made, quarterly monitoring of valuations and regular communication with investment managers. It is at least reasonably possible, given the level of risk associated with investments, that changes in the near term could materially affect the amounts reported in the financial statements.

**EPISCOPAL COMMUNITY SERVICES**

#### Note 10 – Conditional Contributions

During 1999, ECS was awarded a conditional contribution of \$394,200 from the San Diego Housing Commission ("SDHC"). The contribution was used to purchase or rehabilitate facilities that were placed into service during November 1999, and are utilized by ECS to provide supportive housing to the homeless. The SDHC funds were used for the San Diego Downtown Safe Haven facility.

Of the total SDHC conditional contribution, \$246,000 was considered fully revocable until ten years from the date the facilities were placed into supportive housing program operations. Ten percent of these contributions become unconditional each year subsequent to the tenth year of operation. The ten-year period of operation for the SDHC facilities was completed in November 2009. During each of the years ended June 30, 2016 and 2015, ECS recognized ten percent of the SDHC conditional contribution totaling \$24,600. The remaining \$148,200 of the conditional contribution from SDHC is considered fully revocable until 55 years from the date of contribution. This contribution will become unconditional in February 2054 provided ECS has used the facility to provide supportive housing to the homeless until that time. The remaining SDHC conditional contribution at June 30, 2016 and 2015 is \$222,000 and \$246,600, respectively.

The SDHC conditional contribution and a note payable to SDHC (Note 9) are secured by a trust deed on a building and land with a net book value of approximately \$327,000 and \$370,000 at June 30, 2016 and 2015, respectively.

See Note 16 for subsequent event.

#### Note 11 – Temporarily Restricted Net Assets

As of June 30, temporarily restricted net assets consist of:

	<u>2016</u>	<u>2015</u>
Time restrictions:		
Charitable remainder trusts	\$ 600,950	\$ 475,021
Purpose restrictions - programs	<u>39,771</u>	<u>-</u>
Total	<u>\$ 640,721</u>	<u>\$ 475,021</u>

For the year ended June 30, 2015, a total of approximately \$430 was released from temporarily restricted net assets and was comprised of \$240 released for program administration and \$190 released for Head Start.

**Note 12 – Employee Benefit Plan**

ECS has a 401(k) retirement plan (the “Plan”) covering all employees who have completed one year of service and are at least 18 years of age. ECS’ contributions to the Plan are determined annually by the Board of Directors. ECS has expensed and accrued matching and profit-sharing contributions to the Plan totaling approximately \$299,000 and \$342,000 for the years ended June 30, 2016 and 2015, respectively.

**Note 13 – Union Contract**

A substantial portion of ECS’ labor force is subject to a collective bargaining agreement. The agreement expires on June 30, 2017.

**Note 14 – Commitments and Contingencies**

ECS occupies facilities in various locations under month-to-month and long-term operating leases with terms extending through December 2023. Rental expense under operating leases was approximately \$1,697,700 and \$1,663,000 for the years ended June 30, 2016 and 2015, respectively.

Future minimum annual rentals under long-term operating leases at June 30, 2016 are as follows:

Years ending June 30,	
2017	\$ 1,654,897
2018	1,059,236
2019	937,216
2020	769,778
2021	788,729
Thereafter	<u>1,412,400</u>
Total	<u><u>\$ 6,622,256</u></u>

**Grants and contracts** – ECS has contracts with government agencies which are subject to audit. No provision has been made for any additional liabilities that may arise from such audits, since the amounts, if any, cannot be determined. Management believes that any additional liability that may result from any such audits would not be material. Certain of these contracts may be terminated or reduced with 30-days written notice to ECS in the event that federal, state, or county funding for the agreement ceases or is reduced prior to the expiration dates of the contracts.

#### Note 14 – Commitments and Contingencies (continued)

**Risks and uncertainties** – The operations of ECS are subject to the administrative directives, rules, and regulations of federal, state, and local regulatory agencies. Such administrative directives, rules, and regulations are subject to change by an act of Congress or other government agency or an administrative change. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, if any, to comply with a change.

**Legal** – ECS is a party to certain legal actions and investigations arising in the ordinary course of business. Management and ECS' legal counsel are unable to determine the likelihood of unfavorable outcomes, if any.

#### Note 15 – Related-party Transactions

Related-party transactions as of and for the years ended June 30 are as follow:

	<u>2016</u>	<u>2015</u>
Note payable to Episcopal Diocese of Los Angeles	\$ 50,000	\$ 75,000
Note payable to Episcopal Diocese of San Diego	10,313	16,116
Contribution from Episcopal Diocese of San Diego	23,570	20,500

ECS also has a beneficial interest in a CRT for which a member of the Board of Directors is a trustee. ECS' beneficial interest is valued at approximately \$347,000 and \$234,000 as of June 30, 2016 and 2015, respectively.

#### Note 16 – Subsequent Event

In August 2016 ECS assigned property and land with a net book value of approximately \$327,000 associated with the San Diego Downtown Safe Haven housing program to a third party developer for the purpose of constructing permanent supportive housing for the population currently being served at the site. The note payable to the San Diego Housing Commission of approximately \$351,000 for this property was assigned to the third party developer (Note 9.) Also related to this transaction was the removal of the conditions on the conditional contributions of \$222,000 by the San Diego Housing Commission (Note 10) resulting in recognition of this amount as contribution income during the year ending June 30, 2017.
